PUBLISHER'S NOTICE. INHIS WORK was commenced in Novem . 1864, the computation of the nuther then being that it could be comprised in one thousand four hundred pages, and would encupy two years. blany unlooked for obstructions, chiefly of a typegraphical nature, materially retarded the progress of the work in the first instance, and these bring evercome, the author discovered that he had underestimated the extent and the importance of the vast task he had undertaken, and that it would occupy fully double the time and apare which he had at the outset computed. The publication of a work of such magnitude, and presenting so many and such varial obstacles, seldom falls to the limited resources of one single individual, as occors in this case. The first part of the work is now issued, partly at the requests of the author and partly to afford the Foreign Ominunity of China an opportunity of extending that are stance to the publisher, which under the circumstances is usually so freely accorded. The Price of the book complete will he \$10. and it will be published in four parts at \$7.50. each. But this objection presents itself to the sale of the paris separately, should the parchaser of one or more parts not take the athers, a number of incomplete, and consequently valueless, suples will be left on the publisher's hands. To remedy this objection, in consideration of the circumstances already alluded to, it is hoped that those who see fit to patronise the undertaking by purchasing the first part; will not object to signing an engagement to take the remaining parts as they

appear, or should they prefer it, to pay for the ontire work in advance, Missionaries supplied at Trade Price. Daily Press Office, Hongkong, 15th Oat , 1866. UNION DOOR COMPANY OF HONGKONG AND WHAMPOA, LIMITED. STEAM TUG "LITTLE ORPHAN. THIS Powerful Tug is available at
